# Rental Equipment

## Marco Rental ... Ready and Reliable

Industry Experience » Manufacturing Capabilities » Legendary Customer Service  
Product Availability » Logistics Services » Technology Leadership

What makes a company Ready and Reliable? Preparation, processes, and a comprehensive fleet of new equipment with low operating hours.

Marco is the premier provider of Abrasives, Blasting Equipment, Engineered Systems, Painting Equipment, Rental Equipment, Safety Equipment, and Service & Repair.

Equipment Rental is no exception. Rather than searching various rental facilities in your area for your surface preparation needs, just call Marco. Short and Long Term Rentals available. We're Ready and Reliable
